STATINTL

Gentlemen:

Reference is made to your letter of 15 January 1960, requesting approval to conduct a demonstration in your plant of the First Radar Determination Device being built under the subject contract.

We regret that because of security reasons we are unable to approve this demonstration at this time. However, our Technical Officer expects to visit your company next week, and he will be glad to discuss this matter further with you.

Very truly yours,

Distribution:
